DYLAN DSILVA

FRONTEND DEVLEOPER | SQL DEVELOPER | DATA ANALYST

Navi Mumbai, Maharashtra | +91 7887690773 | dylannn.work18@gmail.com

PROFILE SUMMARY

Results-driven third-year student with strong proficiency in Frontend Development, SQL, and Data Science. Skilled in crafting responsive, user-friendly web interfaces and writing optimized SQL queries for efficient data management. Passionate about Data Science with a continuous drive to explore new tools and techniques. A dedicated and fast-learning individual who thrives in collaborative environments and approaches every challenge with a structured, solutions-first mindset.

EXPERIENCE

PROGRAMMING & SOFTWARE DEVELOPMENT

- Applied Java, Python and C through academic programming assignments, exercises and problem-solving tasks.
- Practiced writing structured programs, implementing algorithms and developing logical solutions to programming problems.
- Worked on debugging and testing programs to identify errors and improve solution accuracy.
- Strengthened understanding of programming concepts through regular coding practice and coursework.

DATABASE DEVELOPMENT & SQL

- Worked with SQL and PL/SQL for database queries, table creation, stored procedures and functions.
- Practiced database-related tasks and developed an understanding of how data is organized and managed.
- Applied DBMS concepts through academic exercises involving database structure, queries and data handling.
- Built familiarity with database problem-solving and writing structured SQL statements.

WEB DEVELOPMENT

- Developed web projects using HTML, CSS and JavaScript with a focus on basic front-end development.
- Applied page structure, styling, user-interface concepts and JavaScript functionality to small projects.
- Worked on improving website usability, layout and interaction while developing practical coding skills.
- Used project work to strengthen debugging, logical thinking and understanding of web-page development.

ACADEMIC & TECHNICAL DEVELOPMENT

- Studied Data Communication and Networking, Database Management Systems (DBMS) and Programming Concepts.
- Built a broader understanding of computer systems, networks, databases and software applications through coursework.
- Continuously improving technical knowledge by practicing coding and exploring technologies related to computer science.
- Developed problem-solving, analytical thinking and adaptability through academic and project-based work

SINGER & GUITARIST

- Performed as a singer and guitarist in musical performances and events.
- Developed confidence, stage presence, creativity and teamwork through music and live performances.

EDUCATION

Bachelor of Computer Science 2024-2027

PILLAI COLLEGE OF ARTS COMMERCE AND SCIENCE

SKILLS

Backend Development

- SQL (Joins, Queries, Database Design, CRUD Operations)
- DBMS Concepts
- MongoDB (Basic)

Data Analytics

- Data Cleaning & Data Interpretation
- Microsoft Excel (Formulas, Charts, Data Analysis)
- Basic Data Visualization

Programming Languages

- Python (Basic)

Tools & Technologies

- MS Word, Excel, PowerPoint

SOFT SKILLS

- Communication (Verbal & Written)
- Teamwork & Collaboration
- Problem-Solving
- Time Management
- Leadership & Adaptability

Backend & Database

- SQL (Joins, Queries, Database Design, CRUD Operations)
- DBMS Concepts
- PHP (Basic)
- Node.js & Express.js (Learning)
- MongoDB (Basic)

Data Analytics

- Data Cleaning & Data Interpretation
- Microsoft Excel (Formulas, Charts, Data Analysis)
- Basic Data Visualization
- Dataset Analysis

Programming Languages

- Python (Basic)

Tools & Technologies

- MS Word, Excel, PowerPoint

EXTRA CURRICULAR ACTIVITIES & ACHIEVEMENTS

- Led and coordinated multiple college committee events, managing planning, execution, and team collaboration.
- Organized a successful Filmography Seminar in collaboration with faculty members, attended by 50+ students.
- Demonstrated leadership and communication skills by coordinating event logistics, promotions, and participant engagement.
- Actively participated in inter-college and college-level sports activities, promoting teamwork and discipline.
- Contributed to creating engaging student experiences through event management, volunteer coordination, and campus initiatives

LANGUAGES KNOWN

- English – Fluent (Reading, Writing, Speaking)
- Hindi – Fluent (Reading, Writing, Speaking)
- Marathi
- Konkani
